

## We've Been At the Shelter Too Long!

I am George, a Doberman Pinscher mix. Being an older dog at the shelter is so hard. People tend to ignore me and look at the younger dogs. Because of this, I have been here a month now. But you know what? I have more love to give and more loyalty than those younger dogs. I am also already trained. If you give me a chance, I will love you endlessly. I love to walk and just hang out, sharing a cuddle. Please give me a chance to share my love with you. Come see me at 2500 S. 27<sup>th</sup> Avenue in Phoenix. My ID number is 2812490.

Hello. I am Bella, a Chow-chow mix. I have been at the shelter for a long time, since the beginning of January. I am getting sad being here. Being a big brown dog, I get overlooked for the cuter, smaller dogs. But let me tell you... if you give me one chance, you won't regret it. I love to get out and walk. And as you can see from my picture, I love to run! I didn't want to stand still! I want nothing more than to have somebody new to call my own. Come see me at 2500 S. 27<sup>th</sup> Avenue in Phoenix. My ID number is 2810335.
